Dear Parent/Guardian,

Thank you for completing the booking form and sending in the first deposit. Below you will find a schedule of payments that split the remaining balance over the next eight months. To facilitate the payments the following instalments have been arranged.

IMPORTANT!

Your child must have their own passport and it must be valid until at least March 2017. If your child's passport needs renewed (or they don't yet have one) can you please ensure this has been done by early September.

I will require their passport to be sent into school early in September to complete the information required by the airline and the travel company.

You will also have to complete an ESTA application. This is a visa wavier required to enter the US. Further details about this will be sent out at a later date.
