

SKI TOUR TO NEW HAMPSHIRE - FEBRUARY 2017

OCTOBER UPDATE

The ski trip is fast approaching and the kids are beginning to get excited. We are now making final preparations and as a result need some information from you.

Attached you will find a **PUPILS DETAILS** form. We need this information for the tour operator, ski hire company and the hotel. This must be returned on Monday 7th November.

You will also find details from Topflight (our tour company) about a small £10 increase to the cost of the trip. This is due to the dramatic devaluation in the pound over the past weeks and months. This additional £10 should be added to the final payment (£190 if you have paid in installments or £790 if you have only paid the deposits). This is due on Monday 7th November.

Finally we realise you may have questions at this stage so a parent's meeting has been arranged for **Wednesday 30th November from 7-9pm**. At this meeting details of the accommodation, equipment needed, clothes, luggage, insurance, pocket money etc will be given out. We have also arranged for **Altitude (a ski-clothing hire company)** to come to the meeting. This for those who wish to hire ski jackets and trousers (info attached).

Could you please indicate your availability to attend below and thank you again for your continued support.

Dear Parent/Guardian,

As organisers of your son/daughter's forthcoming ski trip it is important that we advise you of the following modest increase to the final cost.

Since the Brexit news at the end of June resulting in a near 12% devaluation in STG, we have been working hard to keep any increase to our groups to a minimum.

We have therefore agreed to request only £10pp as a modest contribution towards this dramatic and unfortunate drop in the currency. This will be added to the final invoice.

I know many have expected the increase to be more but we have been reluctant to pass the difference on. Therefore, the bulk of the deficit will be absorbed by Topflight For Schools.

As always, we will endeavour to ensure your child has an amazing ski trip and thank you for entrusting us with the arrangements.

Kind regards and thank you.
